5 Bedrooms, 7 Bathrooms, 5330 square feet
Single Family

216 DUNWOODY Drive, Oakville,
Ontario, L6J4G6

Absolutely stunning custom built 4+1 bedroom home located in the desirable Burgundy pocket is SE Oakville. 8300 sq feet of luxurious living space that will delight even the most discerning buyer. This home exemplifies superior workmanship as seen in the extensive millwork throughout. From panelled walls, 5 inch quarter sawn white oak flooring, 10 inch baseboards, plaster crowns and vaulted and coffered ceilings. The main floor is graciously appointed with large transition areas and oversize rooms including the walnut panelled library, the main floor office with a walk out to the covered porch and the elegant living and dining room. An abundance of windows creates a bright and airy feeling in the open concept kitchen and double height great room featuring a soaring wall of windows and a custom floor to ceiling fireplace with walnut built ins and a tiered and waffled ceiling. The spectacular landscaping can be seen from every window. From the stone outdoor covered kitchen with a 12 foot marble bar, 48 inch Lynx BBQ to the oversize gunite pool and hot tub with a waterfall feature to the two sided gas fireplace on the covered porch. The stand alone custom built wood burning brick fireplace is truly a piece of art.

\$6,988,000 - 216 DUNWOODY Drive

Plantings are plentiful and sophisticated ensuring the most pleasant ambiance in this one of a kind outdoor living space. Towering trees and multi million dollar properties distinguish this exclusive neighbourhood.
